

Germany – SD Indicators

Source document: Nachhaltige Entwicklung in Deutschland. Indikatorenbericht 2006 (Sustainable Development in Germany. Indicator Report 2006) (2007)

1. Energy productivity (Index 1990 or 1994 = 100;) (p. 4)
2. Emissions of the six greenhouse gases covered by the Kyoto Protocol (Index 100=1990) (p. 8)
3. Proportions of energy consumption from renewable energy (%) (p. 10)
4. Land use for housing and transport (Increase in ha per day) (p. 12)
5. Public finance deficit (Deficit as a percentage of GDP) (State, Länder, municipalities, social insurance system) (p. 16)
6. Gross capital formation in relation to GDP (in %) (Gross capital formation is investment in the form of equipment, buildings and other installations of companies and the state.) (p. 18)
7. Private and public expenditure on research and development (Spending in percentage of GDP) (p. 20)
8. 25-year-olds with completed education (Percentage of all 25-year-olds) (p. 24)
9. University entrance rate (%) (p. 26)
10. GDP per capita (in 1995 prices in Euro) (p. 28)
11. Transport intensity (Transport output per Euro 1,000 GDP; Index 1999=100) (p. 30)
12. Proportion of freight transport per rail (%) (p. 34)
13. Organic farming (Proportion of farmland in %) (p. 38)
14. Nitrogen surplus (whole agricultural sector, kg/ha) (p. 36)
15. Concentration of air pollution (Index 1990=100) (The index comprises emissions of SO₂, NO_x, VOC and NH₃. It states the average level of falling emissions as a percentage of their 1990 level.) (p. 40)
16. Premature mortality (below the age of 65; Fatalities per 100.000 of population) (p. 42)
17. Satisfaction with health (by gender) (p. 44)
18. Burglaries involving a break-in (reported cases) (p. 46)
19. Employment rate (per cent) (p. 48)
20. Full-time day care facilities in the West German Länder (Proportion of age-group in %) (p. 50)
21. Comparison of gross annual earnings from full-time employment (Women and men aged between 35 and 39; West German Länder in %) (p. 52)
22. Foreign school leavers not gaining the first secondary school-leaving certificate (Hauptschule, in %) (p. 54)
23. Official Development Assistance (Share of ODA in % of gross national income) (p. 56)
24. EU imports from developing countries (Euro billion) (p. 58)
25. Raw materials productivity (Index 1990 and/or 1994) (p. 6)
26. Sustainability indicator for biodiversity (Index %) (p. 14)
27. Share of water transport in total freight transport output (share in %) (p. 34)
28. 25-year-olds without completed education (Percentage of all 25-year-olds) (p. 22)

Total number of indicators: 28
