Workshop 10/16: mapping and clustering critical focus areas
Government Implementation Plan for 2030 Agenda
Adopted in February 2017

FOCUS AREAS

Sustainable economy
Carbon-neutral and resource-wise Finland
Non-discriminating, equal and competent Finland

POLICY PRINCIPLES

Long-term action and transformation
Policy coherence and global partnership
Ownership and Participation

FOLLOW-UP AND REVIEW

Sustainable economy
How to overcome conflicts of interest and deal with trade-offs?

• Build on scientific work but understand political realities
• Design the process bullet-proof, prepare yourself for criticism
• Offer ownership beyond usual suspects
• Get highest level & political back-up
• Make the silos dance - #together
