- CNTE consultation
- CNTE adoption 26 January

4 February 2015
Council of ministries
The Strategy’s implementation

Ministerial strategies

Voluntary commitments

The Strategy ambassadors

SD territorial initiatives & local Agendas 21

The SNTEDD game
The voluntary commitments / what are they?

An approach:

• which developps a **strategic vision**, coherent with the Strategy’s orientations (**at least 4 axes/goals** addressed),
• set up and implemented in a participative way.
• covering the **all activity of the entity**
• going **beyond legal obligations**
• with **measurable objectives and actions**
• guided by a **progress ambition**
An annual progress report to the Parliament
