**UNEA:** contributing to the effective implementation of the envl dimension of 2030 Agenda in an integrated manner (setting the global envl agenda, providing policy guidance and defining policy responses, undertaking policy review, dialogue and exchange of experiences, fostering partnerships for achieving envl goals and resource mobilization;

**UNEP:** - to enhance its activities, in cooperation with other UN entities, in **support** of the **coherent implementation** of the envl dim of 2030 Agenda **at Nat, Reg and global levels,**

- to take action to enhance coordinated, coherent and integrated delivery within the UN system on the envl dimension of 2030 Agenda, by

- (a) Fostering **partnerships** and other means of **cooperation** with other relevant United Nations bodies;
- (b) Engaging with **regional coordination mechanisms**, as appropriate;
- (c) Actively promoting the **integration** of the environmental dimension **into United Nations development assistance frameworks** at the country level;
- (d) Enhancing **institutional and human capacity building** at the national, regional and international levels;

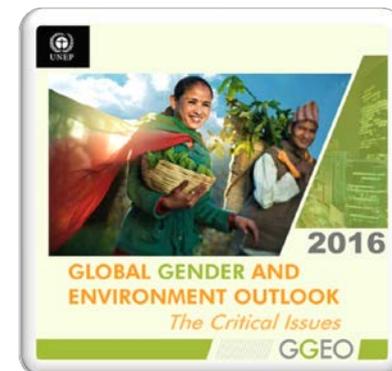

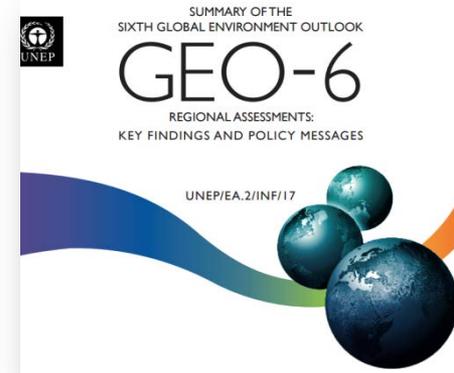

**Multi-stakeholder Partnerships:**

**Follow up and review** : provision of policy relevant information, through assessment processes such as the **Global Environment Outlook**

**Science-policy interface:**

- indicators to support monitoring the delivery of the environmental dimension
- raise awareness about envi policies proven to be effective in achieving sus dev
- provide policy-relevant information on trends in global sustainability, to support informed decision-making and to strengthening implementation;

- (b) Engaging with **regional coordination mechanisms**, as appropriate;
- (c) Actively promoting the **integration** of the environmental dimension **into United Nations development assistance frameworks** at the country level;

### Peer-learning:

#### Regional Coordination Mechanisms:

- promotes cooperation among UN regional entities and their various partners in addressing regional, cross-cutting policy issues and provides regional perspectives to the global level.

#### United Nations development assistance frameworks (UNDAF)

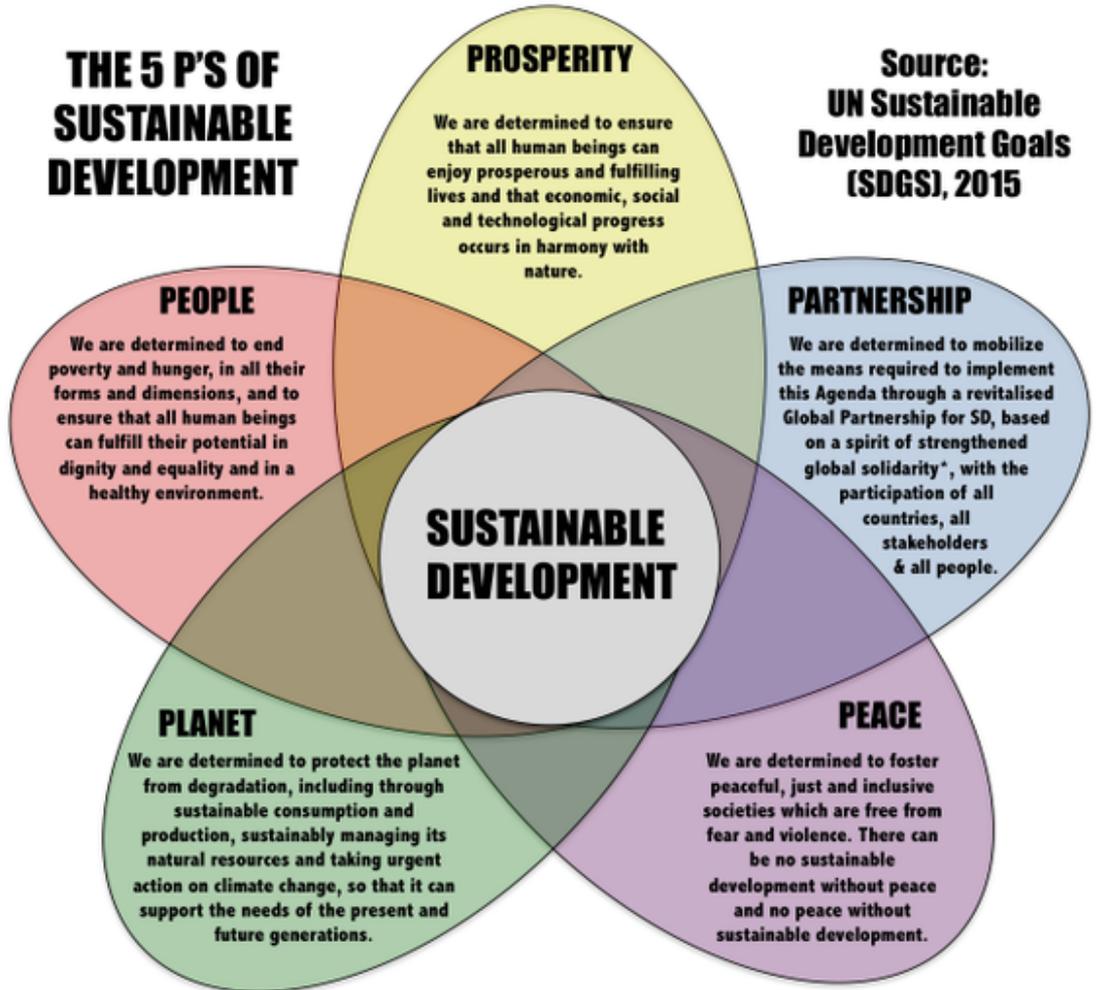

*Peer Support Group (PSG)* - UNDAF/One Programme operationalization, namely implementation, monitoring, reporting and evaluation. **(sharing good practices and lessons learned)**

**MEAs synergies:** to speak with one voice; taking a joint approach to reporting and assessment; coherent and coordinated scientific advice; consistency of decisions in governing bodies.

# Transforming Our World for People and Planet

Promote shared prosperity and well-being for all over the next 15 years

## THE 5 P'S OF SUSTAINABLE DEVELOPMENT

Source:  
UN Sustainable Development Goals (SDGs), 2015

200+ indicators

the transformative change that is needed for the imaginative future in 2030 but most importantly the road to 2030 will help open the long term pathway and systemic changes for 2050.

**Ensuring a life with DIGNITY**

Health  
Education  
Gender equality  
Water and sanitation

**Protecting our PLANET**

Climate change  
Oceans  
Forests  
Biodiversity

**Investing in the future we want**

Economic growth  
Partnerships  
Reducing inequality

# Systemic issues:

**Policy and Institutional coherence:**

Enhance policy coherence for sustainable development

**Multi-stakeholder partnerships:**

To support the achievement of the sustainable development goals

**Data, monitoring and accountability :**

Availability of high-quality, timely and reliable data (*missing data/people left behind*)

**End poverty - Food security and sustainable agriculture - Healthy lives - Education and life-long learning - Gender equality and empower - Water and sanitation - Sustainable energy - Economic growth and decent work - Resilient infrastructure - Inequality - Sustainable cities and human settlements - Consumption and production - Climate change - Oceans, seas and marine resources – Ecosystems - Peaceful and inclusive societies - Global partnership**

## Ensuring a life with DIGNITY

Health  
Education  
Gender equality  
Water and sanitation

## Protecting our PLANET

Climate change  
Oceans  
Forests  
Biodiversity

## Investing in the future we want

Economic growth  
Partnerships  
Reducing inequality

### Will hold true:

- A once-in-a-generation opportunity
- Transformative agenda
- Unprecedented

### If, we, collectively:

- **Integrated and indivisible**
- Achieved through **joint action in other**
- It is **not alignment**, but it is joined up, **working together** and integration
- It is **not cooperation**, but it is joined up, **working together** and integration
- Localize and domesticate them *(to form the fabric of national development planning, debate and also ambition)*
- **Unprecedented engagement** in planning, implementation, monitoring, reporting, and review of policies and actions.

"Ensuring no one is left behind"

There is **no "Plan B"** for action as there is **no "Planet B"**!
