

# Welcome!

ESDN Youth Event 2024

**Foresight workshop using JRC's 'Sustainable Europe 2050' scenarios**

# What scenarios are... (and are not)

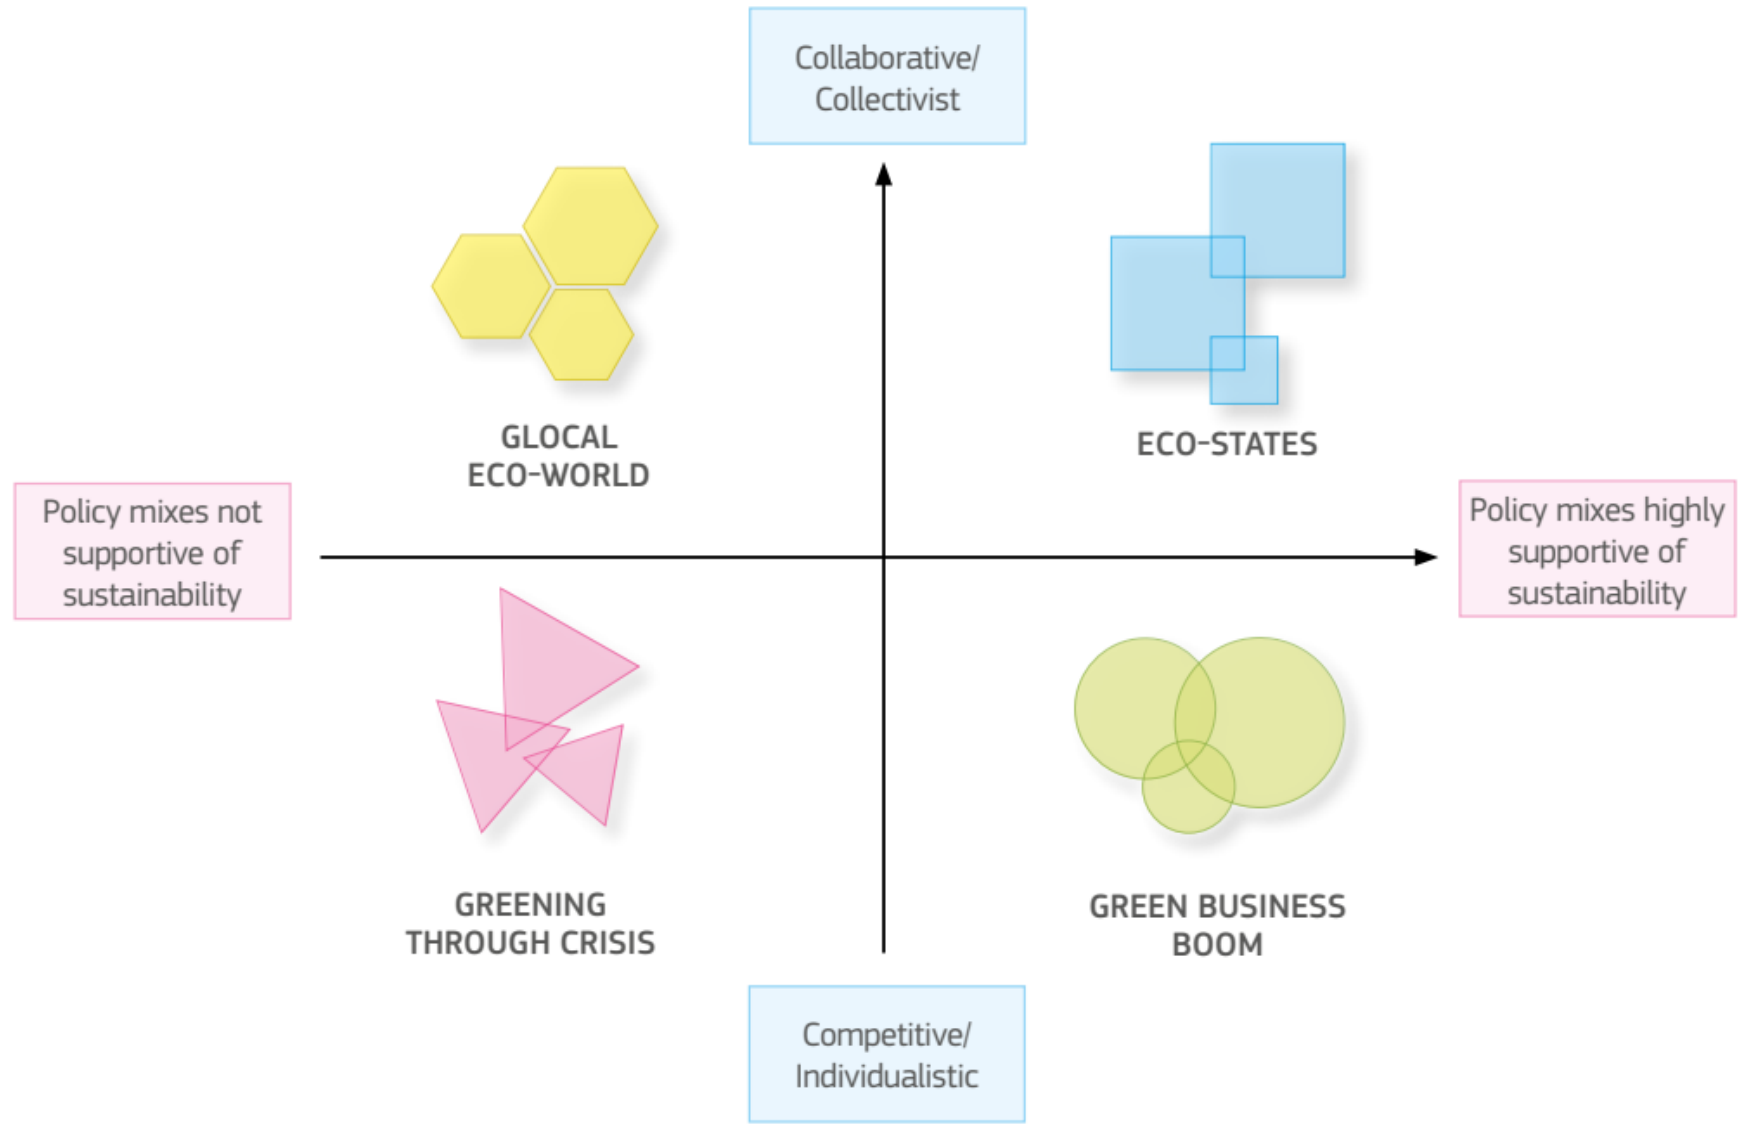

- Qualitative, coherent narratives of possible futures
- General-purpose descriptions of 'states of being' of possible future societies
- How built? → '*Stand on two legs*' (evidence-based & imaginative/speculative)
- NOT predictive!
- Vehicles for thinking about future alternatives

# What scenarios are... (and are not)

Scenario exercises are never about the scenarios themselves, but about **considering consequences you otherwise might never have considered...**

# 2050 sustainable EU scenarios

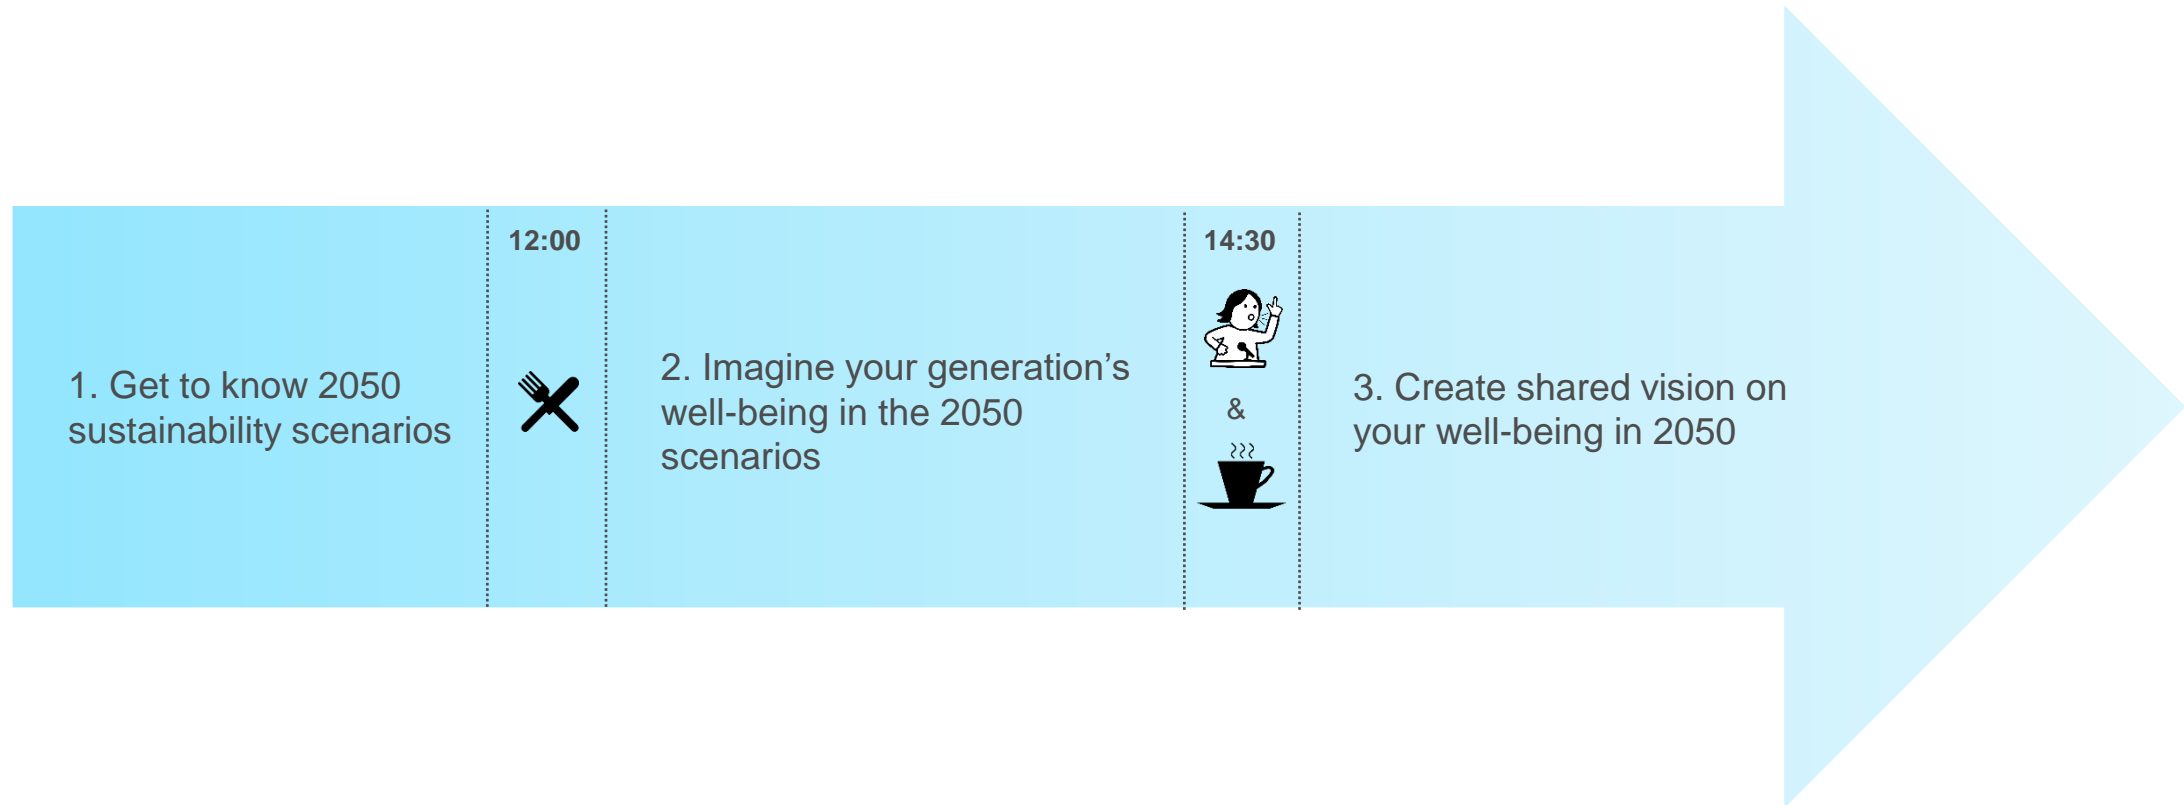

- Two important baselines:
  - EU still exists
  - EU is climate-neutral
- Scenarios present **coherent narratives of the extremes** of those baselines
- Each scenario: **different main driver** of sustainable transition

# Today

- ‘Incast’ general-purpose scenarios
- Central topic: YOU!
- Create vision

# Workshop process

# **GREENING THROUGH CRISIS**

# **GLOCAL ECO-WORLD**

# **GREEN BUSINESS BOOM**

# Thank you
