

"THE WORLD WE WANT"

Empowering Youth for Sustainability & Global Goals

UN Sustainable Development Goals

Key Focus Areas:

- **Exploring Sustainability Challenges:** Identifying local and global environmental, social, and economic issues.
- **Understanding the 17 SDGs:** Learning how the UN Sustainable Development Goals address global challenges.
- **Everyday Action:** Discovering how personal choices impact a sustainable future.

FINAL OUTCOME: STUDENTS' CHARTER FOR A SUSTAINABLE FUTURE

A collaborative manifesto containing student commitments to sustainable behavior. The Charter will be officially presented to the school community and published on the school website during **European Sustainable Development Week 2026**.

European Sustainable Development Week (ESDW 2026) • September 18 - October 8, 2026
